

Lava Mandatory Tools

Items	Warranty	Make	Short Description
		Model no	
Infrared Thermometer	 One year	Fluke	Used for measuring the temperature
		(59 Mini)	
TP Removal Tool	 Six month	Imported	LCD separator machine with vacuum pump
		(SE/TP/001)	
SRM Meter	 One year	Super electronics	Surface resistance of various ESD Safe products
		SRM-01	
Digital Power Supply(D.C.)	 One Year	MCH	Output 30v-2AMP , 230V AC input
		MCH-K305D 0-30V 0-5A	
Soldering Station Digital	 One year	Super electronics	Temperature controlled soldering station , 70 V, with K bits,
		SSE-938	
Magnifying Glass with Light	 One year	AST	Magnifier With Lamps, Lens size: 5" , Diopter : 5X, Clamp Type
		AST-6022B	

Digital Multi-meter	 One year	Mastech	Digital measuring DC and AC Voltage, DC Current, Resistance, Diode and Transistor with battery
		MAS-830L	
SMD Hot Air Gun	 One year	Super electronics	Digital display ,auto cut,
		SSE-8508D	
PCB Holder	 Six month	Super electronics	PBA Holder used in repairing time. Can be fixed with self PBA. Material: Aluminum alloy
Anti magnetic Tweezer (ESD)	 Not Applicable	Hoki	Used in repairing time
		10K GT	
SRT 93	 Not Applicable	Opening tolls
SRT 6	 Not Applicable	
Solder wire stand	 Not Applicable	Eliminates operator downtime, provides continuous solder wire.
Lead free solder Wire	 Not Applicable	Bond	Lead free solder wire repairing time
		24g	

Simple T + Screw Driver	 Not Applicable	Baku	Opening tolls
		BK-331	
Spunj for cleaning Iron Bit	 Not Applicable	Spunj cleaning iron bit Size : 2 x 2.5 inch Color : Yellow
Tip cleaner wire mesh	 Not Applicable	WEITUS	Tip cleaner wire mesh Iron bit tip cleaner
		WTS-599B	
Face Mask	 Not Applicable	Face Mask Color : Green
		2Ply	
ESD Slipper	 Not Applicable	ESD SPU Slipper
		ESD SPU Slipper	
ESD Apron	 Not Applicable	ESD APRON charges from operators' clothing from damaging ESD sensitive devices. Panel to panel conductivity prevents isolated charged conductor in ESD Protected Area

ESD Gloves	 Not Applicable	ESD Gloves PU Finger tip Coated palm fit gloves
		PU Finger tip Coated palm fit	

ESD safe wrist band	 Not Applicable	Electromark	ESD Safe Wrist Strap with twin coil cord two side button.
		D/S Button	
ESD Bin	 Not Applicable	Super electronics	Material: Made with ESD PP Sheet 5mm. Mobile Handset Capacity : 35 Handsets.
		ESD-35	
ESD Brush	 Not Applicable	Antistatic brushes with conductive plastic handle
Flux Pen	 Not Applicable	Chemtronics	Flux pen and flux dispenser
		CW8300 9 g (0.32 oz) pen	
IPA Dispenser	 Not Applicable	*****	Dispensing bottles are used to dispense solutions in a controlled capacity
De-solder Wick	 Not Applicable	Chemtronics	Easier and more effective than a solder-sucker
		60-3-5	
Insulation Tape		KAPTON	Hi temperature Tape made from Kapton [®] HN film with Silicone adhesive. They have

(Yellow Tape)	Not Applicable	*****	been used in applications at temperatures as low as -269°C (-452°F) and as high as 260°C (500°F)
Wooden Buds	 Not Applicable	*****	
ESD Mat (2Layer 1.5 mm) blue	 Not Applicable	Royal house/deco	ESD Antistatic Mat, 2 Layer, 1.5mm thick Color : Top Layer - Blue, Bottom Layer – Black
		2Layer,1.5mm, blue
